Re: Extension of Filing Deadline for 2020 Annual Operations Report

Dear Mr. Jones:

On March 26, 2021, we received a request on behalf of the Municipality of Anchorage (MOA) d/b/a Anchorage Hydropower (AHP) to be allowed to delay submission of its 2020 annual report from March 31, 2021 to April 30, 2021. In its request, AHP noted that on October 30, 2021, Chugach Electric Association, Inc. (Chugach) acquired most of the assets of the MOA d/b/a Municipal Light and Power, excepting the MOA's ownership interest in the generating assets of the Eklutna Hydroelectric Project. Since that time, the MOA has conducted its wholesale electric service under the name Anchorage Hydropower. AHP indicated that due to the additional work requirements associated with Chugach's acquisition of the majority of the MOA's electric utility assets and the resulting financial reporting delays, an extension is needed.

We reviewed the request and determined that the extension should be granted. We grant AHP permission to extend the annual report filing deadline to a date no later than April 30, 2021; however, by March 31, 2021, AHP shall report to the Commission the selected annual report data requested in our online Utility Annual Report by logging in at <https://rca.alaska.gov>.

AHP's attention to this matter is appreciated. If you have any questions regarding the contents of this Letter Order, please contact Julie C. Vogler, Utility Financial Analyst, at (907) 263-2168 or Julie.Vogler@Alaska.gov.

BY DIRECTION OF THE COMMISSION

Sincerely,

REGULATORY COMMISSION OF ALASKA
